

Warranty Card

Warranty Service Policy

Warranty Period: Products come with a **2-year warranty** starting from the date of delivery. Under normal use, if any non-human quality issues arise within the first year:

- If **repairs are not possible**, we will ship a new replacement at no cost to you.
- If **repairs are possible**, we will provide free spare parts and cover shipping fees.

After 2 Year: After the warranty period, if repair support is needed, we only charge for the cost of spare parts, with shipping fees covered by the customer.

Long-Term Partners: For customers with over 3 years of partnership, the warranty is extended to **3 years**, with all related costs covered within the warranty period.

SPVOLT is committed to providing reliable warranty support, giving you peace of mind to focus on your business.
